Jay Rosloniec Announces the Formation of Grand Rapids, MI Based Verity Law, PLC

GRAND RAPIDS, Mich., January 4, 2011 – Attorney Jay Rosloniec recently announced the formation of a new law practice, Verity Law, PLC, specializing in General Business Law, Estate Planning, Taxation and Real Estate.

Verity Law began with the idea to create a law practice that operates differently - efficiently – better. Breaking the mold of a traditional law firm, they are committed to delivering a better value for their clients by offering a different approach to providing law services and delivering those services more efficiently.

To capitalize on their commitment of operating efficiently, Verity Law has teamed with ProLegal Systems, LLC to provide professional practice management support and commercial office space at ProLegal's newly created Law Offices at 61 Commerce located in downtown Grand Rapids, MI.

“With ProLegal’s vast professional management experience, we are confident that in addition to quality legal service, I will be able to realize my number one business objective which is to deliver a better value for our clients by operating differently and more efficiently than traditional law firms,” said Jay Rosloniec of Verity Law, PLC.

“We are pleased to work with Jay and Verity Law on this exciting new business endeavor and feel very positive that we can help them achieve their professional goals,” said Cyndy Walsh, CEO of ProLegal Systems.
